

RISE Undergraduate Student Research Grant (Call ID: S2026)

FAQs

1. How can we apply for the RISE Undergraduate Student Research grants?

Ans: You have to apply for the grant using the provided link. First, go to this website <https://ictcell.buet.ac.bd/portal/#/login>. Using BIIS login credentials, log in to the portal. Click on the RISE tab. You will see the “Call for Proposals (Call ID: S2026-01)” section and find an “Apply” button on the right. Click the button to apply and follow the instructions to submit your proposal.

2. When shall we receive the grant money?

Ans: After your proposal is officially selected for the RISE Undergraduate Research Grant, you can receive the grant money by following the guidelines.

3. What should I do if my supervisor is not enlisted in the RISE portal?

Ans: Request your supervisor to log in to the RISE portal and update his/her information. Even then, if you cannot find your supervisor enlisted, contact RISE Office immediately.

4. Where can we find the templates for RISE Undergraduate Research grant application?

Ans: You can find the templates under the “Downloads” tab in your RISE Research Portal.

5. Can we re-submit if our project is rejected in the initial screening?

Ans: No, you cannot. Therefore, carefully follow the application procedure and instructions.

6. Will RISE provide additional funds if actual expenses exceed the approved budget?

Ans: No, RISE will not provide funds exceeding the approved amount.

7. What should be the font size?

Ans: Body text should not be below 11. Footnote font size can be 9 or above.

8. Are citations also included within the word limit?

Ans: No. You have to maintain the body text within the word limit, excluding the citations.

9. Will the deadline be extended for any sort of problem?

Ans: No. It is a hard deadline. Under no circumstance submissions will be accepted after the deadline.

10. Can the budget of my proposal exceed 1 lac?

Ans: No. You must submit a budget with a cap of 1 lac taka. Otherwise, your proposal will be screened out in the initial screening.

11. Will the digital signature of my supervisor be approved?

Ans: It will be acceptable only in extreme cases when your supervisor is on leave or won't be available for a long time.
