**Re: Letter of Support for the proposed project titled "Modular Sparse Autoencoders for Multi-Site Post-Translational Modification Interpretability in Protein Language Models" for the RISE Student Research Grant S2026-01.**

Dear Director,

I am the final-year thesis supervisor of Mustafa Muhaimin and Mesbah Uddin Ahamed. It will be my pleasure to supervise the proposed research project titled "Modular Sparse Autoencoders for Multi-Site Post-Translational Modification Interpretability in Protein Language Models" submitted by the students Mustafa Muhaimin and Mesbah Uddin Ahamed for the RISE Student Research Grant S2026-01. This research project will be implemented as a part of the applicants' final-year thesis.

Sincerely yours,

---
